Percent satisfied with school-home relations	100.0%	98.9%	96.2%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

McDonald Green Elementary's 2010-2011 school year was very rewarding and we continued to be "High Flying Dragonflies." The school's successes and productivity can be contributed to our devoted students, parents, faculty and staff. We're also grateful of our PTO, School Improvement Council, and business partners for their support to our school family.

Because of dedicated teachers, McDonald Green Elementary continues to make vast improvements on local and state assessments. The school's 2010 Report Card Absolute Rating was "Good" and the Growth Rating increased from "Average" to "Good". As a result of our school's report card ratings, McDonald Green Elementary received the SC State Department's Palmetto Silver Award and the Palmetto Silver Award for "Closing the Achievement Gap." The students did a great job and made gains throughout all subject areas. We contribute our successes to our entire staff collaborating during professional learning team meetings. The meetings have empowered our teachers to differentiate instruction and encourage students to continue to strive for academic excellence.

At McDonald Green, we understand the importance of technology in the classroom. We have Smart Boards in all classrooms to enhance learning. Teachers also have access to Smart Document Cameras to better assist the students. In addition, we have a computer lab that provides our students with the opportunities to use computer based programs such as Study Island as well as other computer based programs to strengthen our instructional programs.

By using the technology, and research based instructional strategies, McDonald Green Elementary has allowed the students to be actively engaged in their learning. McDonald Green Elementary continues to use fiction and nonfiction literature pieces, the Arts through differentiated instruction, and in-school field trips such as gem mining, animal dissection and the Living Museum to increase the school's core curriculum. McDonald Green Elementary was also recognized as an Arts and Basic Curriculum School Site (ABC).

McDonald Green Elementary's faculty and students worked diligently to have academic improvement. The school continues to represent an atmosphere that's conducive to learning and offers each child the opportunity for a well rounded elementary educational experience.

Michelle Crosby, Principal
LaDonna Smith, SIC Chair
